Comments on these postings are encouraged and may be made by email to the editor or by going to the blog page on the website and clicking the envelope that appears at the end of each posting. Be aware that the daily newsletter is a single posting, even though it contains a number of individual items. The biggest lie I tell myself is: "I don't need to write that down – I'll remember it."

USCG – BWMS type-approval

The US Coast Guard issued a **notice** stating that it issued the first US type-approval certificate for a ballast water management system (BWMS). The certificate has been issued to Optimarin after its system was determined to meet the requirements of federal regulations. Other systems are also being evaluated.
